

Hello!

My name's Tirso Sánchez Otaegui, 41. I'm a creative and enthusiastic graphic designer with experience in web and graphic design. I've got experience in vinyl and big format digital printing as well. I master all the software required.

I've got the ability to work as part of a team and I am a good co-worker. I am a hardworking, friendly, creative and responsible person and enthusiastic about new challenges. Since I have worked in several fields I am able to adapt easily to new working environments.

Education

2006: Graduated as Technician in Advertising Graphics, Superior Grade Formative Studies, AULA D School of Design, Vigo (Spain). Since then, I've been kept updated taking different courses concerning advertising, graphic and web design, such a summer course at Sant Martin School of Arts, London, in summer 2011

1999: Master in Tax Advertising, Escuela de Negocios Caixanova, Vigo, Spain.

1997: Law Degree - Universidad Complutense de Madrid.

Languages

Spanish: native / English: high level (C-2) / Italian: Entry Level / German : Entry Level.

Interests
